Scope and Contents

The Public Pension Management and Asset Investment Review Commission examined and made recommendations regarding investment fee transparency, pension system stress testing, and active versus passive investment strategies and performance in order to create a plan to reform pension benefits of PSERS and SERS.

The publications of the Public Pension Management and Asset Investment Review Commission contain reports. Selected topics from these publications include public pensions and asset investment.

Biographical / Historical

The Public Pension Management and Asset Investment Review Commission was created and assigned duties by Act 5 of 2017. The commission was formed to combat poor trends in pension and asset management in Pennsylvania, such as mounting pension debt, tax burdens, lagging investment returns, and massive investment fees.

Legacy Agency Names and Related Agencies

Pennsylvania General Assembly (parent institution), Public School Employees' Retirement System (related agency)
